STATEMENT OF NON-DISCRIMINATION

It is the policy of the Colleges of Nanoscale Science and Engineering Committee for Clubs and Student Organizations (CCSO) to provide equal opportunity to participate in CCSO recognized student groups for all qualified persons.

The CCSO prohibits discrimination based on AGE, SEX, COLOR, HANDICAP, MARITAL STATUS, NATIONAL ORIGIN, RACE, RELIGION or SEXUAL ORIENTATION.

The applying Club or Student Organization agrees to adhere to this policy, knowing that failure to enforce the policy will result in a penalty that will be decided upon and enforced by the CCSO.

Statement of Adherence to CCSO Policy

You hereby agree to operate under the CCSO protocols for CCSO recognized Clubs or Student Organizations, these policies may be changed by the CCSO after ratification by the GSA and UGSA. You will be kept informed of any changes to these documents.

Club and Organization Budgetary Process

Budgets for clubs and organizations are due **August 1st, 2015**. Failure to submit a budget to the Treasurer of the UGSA by that date will forfeit any and all chances of being funded for the Fall 2015 Semester.

1. Organizations at CNSE apply for temporary recognition by the UGSA and CCSO
 - a. As the Bylaws of CCSO become ratified, clubs will resubmit for official recognition.
2. Organizations that seek funding from the UGSA and CCSO must submit a detailed budget to the Treasurer of the UGSA.
3. The submitted budget will be evaluated by the CCSO and the appropriate funds will be allocated to the organization.

A date for the Spring 2016 Semester budget will be released by the Treasurer of the UGSA during the Fall 2015 Semester. Please monitor your emails for continuing information.
